- Our school team takes part in the Inter school competition and have been performing really well in various sports.
- 5 students represented our division in the state competition of Volleyball.

Innovations: - Following New Education policy (NEP) there have been many strategies and lesson plans implemented to keep the students motivated and innovative. These strategies include creative activities, contextual learning, role-playing, digital solutions, thought-provoking exercises and Art integration.

Also explore student centric approach and use of storytelling and with that also taking the help of technology. Design teaching solutions that keep pace with today's students and their educational needs. Develop a wide range of new ideas, strategies, methods, and lesson plans and feel ready to propose them to students. Understand the roles of skill, experience, motivation, and culture in creative endeavors.

Results: - Excellence in academic is the hallmark of any good institution and class X and class XII result the school prove without any doubt that our students have made us proud.

In class X the result is 100% with highest marks secured to be 96% and in a similar manner the result of class XII the result is 100% with highest marks secured to be 94% and the students of other classes also performed excellently well.

Parents Teacher association (PTA): - School has always tried to create a mutual platform for the betterment of school, teaching and everything that influences the physical and intellectual growth of a
